1. \$100,000 unsecured appearance bond with one co-signer.
2. The defendant will be placed on electronic monitoring, and will remain at her residence at all times except for the following reasons: attorney meetings; court appearances; medical treatment; religious services and other release as authorized by Pretrial Services. On July 14, 2009, her bail was modified by removing electronic monitoring and home incarceration. On February 9, 2010, her bail was again modified by removing Paulette Neil as third party custodian, and no longer requiring the defendant to maintain her residence with her.
